* Course Name	An Introduction to European Culture				
(Course Type)	Optional				
Audience	Third-grade English Majors				
(Language of Instruction)	English				
* School	School of Foreign Languages				
Prerequisite					
Instructor	(Course Webpage)				
* Description	<p>This course aims to provide students with an overview of European culture. It takes a historical perspective and helps students, through text reading, relevant documentary watching, picture appreciation, better understand the genesis of European culture, important movements and achievements in the process of its evolution and their influences upon social life. It is hoped that the course will enhance students' humanistic awareness, broaden their academic view and increase their ability in critical thinking. Furthermore, the course is intended to benefit its takers as far as the use of English language is concerned.</p>				
course syllabus					

\*  
(Learning Outcomes)

The course aims to familiarize students with major cultural achievements in European history during such periods as ancient Greece and Rome, the Middle Ages, the Renaissance and the Reformation and the Enlightenment Movement in the hope that they will expand their vision in this regard.
