* Description					
* Description	<p>As a business-related course for German majors in the third year, this course includes career profile, business profile, exhibitions, order processing and marketing. Based on "Berlin pedagogy mode" it puts German in the business context with an aim to make innovations in foreign language teaching. It uses the latest German textbook <i>Wirtschaftskommunikation Deutsch</i> (Book One, 15 units) with teaching aids like on-line movies, listening and testing. The goal is to train multi-talented students of German familiar with international business practices. It also covers German market economics and basic theory in economy-related cross-culture communication in class to improve students' adequacy in business German.</p>
